Atlanta Clay's First Holiday Sale!

We're so excited about celebrating our first holiday here at Atlanta Clay!

And to show our appreciation for all of our awesome customers, we're having a huge sale on equipment. Buy any wheel, slab roller, kiln or pugmill between now and December 31st and get 20% off your purchase price! Atlanta Clay stocks a huge equipment selection - Shimo, Brent, Clay Boss,

Pacifica, L&L Kilns, Skutt, Northstar and more - all your favorites!

So come in and start your wishlist - we won't tell if you've been naughty or nice!

Slip-ping

We got lots of questions about glaze pinholing. Though the issue is showing up in the glaze firing, the problem might be the bisque firing! If organic matter isn't completely burned out during a bisque it bubbles out during glazing - causing pinholing. Tips: bisque to cone 04 or try a slower firing.
