New and Hot Products

Slab Mats

A must have for every studio! It's the perfect work surface - it won't budge under your clay, it's self healing (make as many cuts as you need!) & it's easy to clean. AND we have both recycled and new mats!

Creative Ind. Bats

Why do bats have to be brown? They don't! Check out the fun, vibrant colors of the new plastic Creative Industry Bats - bold blue, fun yellow and razor lime green! Our favorite find from NCECA!

Spectrum Metallic

Who doesn't love a good summer bronzer? Come check out these six new super hot metallic glazes from Spectrum. With names like foiled Chocolate & Viridian Gold - HOTNESS!
